

Support the National Air Tour with your tax-deductible donation.

We need your help! The National Air Tour 2003 is a non-profit all-volunteer effort. These wonderful pilots, crew and aircraft owners are giving of themselves, sharing with America nearly a month of their lives, plus their rare vintage aircraft. The funding is not sufficient to cover even the basic cost of food, fuel and lodging.

Will you help us? 100% of your tax-deductible contribution will go to food, fuel or lodging for these volunteers. They are giving us all this once in a lifetime event – the National Air Tour 2003. Please indicate your contribution level and send your donation today:
